

# Welcome to the 30 day Lego challenge

## 30 Day Lego Challenge

Day 30

Create something  
marvellous with only  
100 bricks!

- You will be working in small teams to complete a task.
- The task is decided by choosing a number between 1 and 30.
- Once the task has been chosen you will design your ideas on paper, explaining to each other the advantages of the design and collectively you will decide on your final model.
- You will then build it, together and once it has been completed we will photograph it and add the photo to the challenge slide.
- Once a challenge has been completed we will note the details on the side to avoid us repeating a challenge, unless you would like to?
- ENJOY AND LET YOUR IMAGINATION RUN WILD 😊
