School Games Values

We want sports day to be a positive experience for every child. We value healthy competition and we look forward to celebrating sporting success. We follow these six School Games Values which identify what school sports and competition should be about:

- Teamwork
- Passion
- Self Belief
- Honesty
- Respect
- Determination

Photos and Videos

While we understand that many of you would like to capture special moments such as your child's sports day in the form of photos and videos, it's also important to respect the restrictions in place too. There are a number of children who cannot have their photos taken. This means that you should not take photos and/or videos involving other children, unless you have the permission of their parent/carer.

On the day

Finally, it is essential that children have a re-fillable water bottle in school on this day. Remember sun cream and a hat as there is very little shade on the field.

Adults are welcome to bring picnic blankets and camping chairs to make the most of what is going to be a lovely event to end the year.

We look forward to sunny, action-packed days and we hope to see as many of you there as possible!

Yours faithfully,
Mrs Maddison
