Parents' Consultation Evenings

Dear Parents/Carers,

We hope you are all keeping well in these challenging times, we are extremely grateful for the support you have given us as we implement a new way of schooling. The children and adults are adjusting and we have seen some benefits to our new routines. Smaller groups at lunchtime and more space to play, staggered start and end times which have brought less traffic and a calmer start and end to the school day.

We still have a way to go and would urge all our parents to drive carefully down Kingsland Gardens. Please be mindful of children and families crossing the road and avoid parking on the roundabout.

We have talked at length about our Autumn Parents' Consultation Evenings, we know how valuable these are for parents and carers to discuss their child's progress, share concerns, and take an active part in their education.

Due to current Government guidelines, it will not be safe to hold our regular Parent Consultation Evenings in school at this time. However, we would like to provide an alternative, in the form of a phone call home to each family to share information about your child, how they have settled, how they are achieving in reading, writing and mathematics and what we can do together to support each child moving forward.

Appointments will last for 5 – 10 minutes and we do ask that you do not overrun your allotted time slot.

We will be sending out more information shortly in regards to your phone call.

Many thanks for your continued support and understanding during this time.

Yours sincerely,

Mrs C Dodds
Head Teacher
