[ENQUIRIES.RHINOSPORTSACADEMY@GMAIL.COM](mailto:ENQUIRIES.RHINOSPORTSACADEMY@GMAIL.COM)

We are pleased to announce that Rhino Sports Academy will be hosting camps at four different venues this February: Kingsley Primary School, Blisworth Primary School, St Luke's Primary School, and Clipston Primary School.

## MULTISPORTS

A typical morning in our multisports camp involves participating in a range of different sports including football, basketball, cricket and rounders. This gives children the opportunity to learn the rules of the game along with new skills and techniques in preparation for the afternoon matches and challenges. Our multisport camps are a great way for children to enjoy and participate in new sports. Our coaches are all passionate about healthy competition and exploring the fun and excitement that playing sport can bring. Prizes will be awarded at the end of the day for children who have tried their hardest, participated fairly and worked together with the other children.

## ARTS & CRAFTS

Arts and Crafts camp is a great opportunity for children to explore their creative side, get messy and create some of their own artwork. Children will get the chance to explore different art materials such as paint, clay and wool in a fun and relaxed environment. Our art coaches are dedicated to ensuring the children discover their unique abilities and artistic talents whilst building new friendships and having fun! Prizes will be awarded at the end of the day for children who have tried their hardest, helped the other children and worked well with the others.

Here is some information regarding what each activity will include. We encourage children to try out new experiences so if on the day your child wants to swap over and try a new activity, it will be no problem at all!

## PERFORMING ARTS

Performing Arts encompasses a mixture of dance, drama and singing bringing children together in a fun and expressive way. Throughout their day in performing arts camp, children will spend their time learning new dance moves and acting techniques, creating their own shows and performing these to the rest of the children! Our performing art coaches are experienced dance and drama coaches who aim to boost children's confidence in a fun and exciting way. This is a great opportunity for children to work together, build new friendships and try something new. Prizes will be awarded at the end of the day for children who have tried their hardest, helped the other children and worked well with the others.

## KIDZ CLUB

Kidz Club offers a variety of different activities for the children to explore. Some of these activities are adult-led such as baking cakes and different art activities. There are also a selection of activities that the children can get involved with such as puzzles, board games, a game of football at the football table and more! Our kidz club camp is available from 8am with the option of breakfast until 6pm with the option for a snack. More information is available on our website.
