

Multisports Camp offers a fun and dynamic experience where children can enjoy a variety of sports, including football, basketball, cricket, rounders and more! Throughout the day, children will learn the rules of each game whilst developing new skills and techniques. In the afternoon, they'll put their learning into action through exciting matches and challenges designed to test their teamwork and sportsmanship.

Our Performing Arts Camp invites children to dive into the world of self-expression, discovering new and exciting ways to use their voices and bodies while building confidence - all wrapped up in lots of fun! Children will have the chance to showcase their new skills by performing for their friends, making every moment a memorable and encouraging experience.

Our Kidz Club Camp offers a wide variety of engaging activities for children to explore, including baking, clay modelling, jewellery making, outdoor play and much more. We also provide extended hours to accommodate the needs of all families, making it easier for everyone to join in the fun!

Arts and Crafts Camp is the perfect place for children to let the creativity run wild, get delightfully messy, and make their own masterpieces! Everyday brings fresh and exciting materials to explore, all in a fun, relaxed and super friendly atmosphere where imagination takes centre stage.

HOW TO REGISTER

To register for any of our camps throughout the year, please head to our website:

[Rhinosportsacademy.co.uk/camps](https://rhinosportsacademy.co.uk/camps)

Select the camp, activity and dates you desire and you're good to go!

We are proud to announce that we are fully OFSTED registered and are able to accept all types of childcare vouchers. This includes the government tax-free scheme, childcare grant and many more!

Rhino Sports Academy are eligible for HAF funding. If your child is a pupil premium student or receives free school meals then they will be eligible for free bookings at our camps. We will also provide lunch to these children. To book through HAF, please visit:
