

Dear Parents/Carers,

The new school year at Rhino Sports Academy has begun and we are excited to be able to offer a wide range of clubs for your children to attend!

We are offering one free trial session for all children at a club of your choice. In order to claim your free trial session, please send us an email with the following information:

- Child's full name
- Child's school
- The club they are attending for a trial
- The date of the trial session
- Emergency contact information (full name and phone number)
- Any medical information

Emails should be sent to enquiries.rhinosportsacademy@gmail.com

After the trial session, if you would like to book onto the club for the rest of the term, please head to rhinosportsacademy.co.uk/school-clubs or get in touch and we can assist with the booking.

Our coaches look forward to seeing your children at future clubs!

Many thanks,
The Rhino Team
