Mobile Phone use on School Site

Dear Parents and Carers,

We hope this message finds you well.

At The Good Shepherd Catholic Primary School, we want every child to feel happy, safe, and connected at the start and end of each school day. One simple way we can all help with this is by being fully present when dropping off and collecting our children.

While we currently do not have a phone ban on site, we would like to encourage all parents, carers, and family members to avoid using their phones during these times. Children love looking out for the faces of the adults picking them up, and it can be disheartening for them if their parent or carer is on a call.

By giving your full attention during drop-off and collection, we can help create a safe, welcoming, and happy environment for all children. Your support in this small but meaningful change will make a big difference to your child's day.

Thank you for helping us work together to make The Good Shepherd a place where children feel valued and cared for at every moment.

Warm regards,

Mrs C Dodds and Mrs Maddison
