Dear Parents, Carers and members of our school community,

As we continue through the school year, we would like to take this opportunity to reach out to our school community.

This time of year is always a busy one, but our doors remain open should you have any questions or wish to talk to us. We would also like to take a moment to ask you to consider something:

Have you ever thought about getting more involved with your child's school?

We are looking for Parent Governors.

We are seeking parent governors to join the school's governing body. Governors play an essential role in the leadership and direction of the school and are responsible for overseeing the strategic direction, policies, and overall performance of the school. If you have a strong interest in education and a commitment to improving the school environment, educational standards, and the overall wellbeing of pupils, we would welcome your unique perspective and contribution.

No prior experience in governance is necessary, and we welcome applications from all. Our strength lies in our rich diversity, and we are committed to building a governing body that reflects the broad range of backgrounds, experiences, and talents within our community.

What matters most is your commitment to the mission of the school, along with a willingness to contribute your time and skills. Training and support will be provided to help you succeed in the role.

We are blessed to have such a supportive community and look forward to hearing from you. Please contact Governor Shireen Finnerty via SFinnerty@olicatschools.org if you are interested or would like further information.

Yours sincerely,

Carmel Dodds
Headteacher
