**Dear Parents and Carers,**

We are currently reviewing the support we provide for our Pupil Premium children. Recent research shows that high-quality after-school tutoring can make a significant difference to children who receive Pupil Premium funding. It can boost their confidence and help them make strong progress in both Maths and English.

At present, we do not offer after-school tutoring. To introduce this, we would need to make some changes to our current after-school clubs.

From next year, we are considering offering all Pupil Premium children either:

- a sports club after school
- a maths or English booster club after school

These clubs would be free for Pupil Premium children until 4:15pm. We are only able to fund this time because tutoring is considerably more expensive than our current provision.

If you require childcare after 4:15pm, this will need to be paid for by parents and carers.

We are still planning our after-school offer for next year and would really value your views.

Please complete the short survey using the link below. Your feedback is very important to us [After School Provision Feedback – Fill in form](#) .

Thank you for your continued support.

Kind Regards,

Mrs C Dodds  
Head Teacher
