Dear Parents/Carers,

Over the past few years, we have worked particularly hard to build positive relationships with people in our local community, especially the residents of Grace John Court.

We completely understand that parking is an issue, and we have raised these concerns with the Highways Department, the local council, and local policing teams. As you may be aware, new signage has now been installed along Kingsland Gardens and outside the school gates to remind drivers about the importance of road safety and considerate parking. We also continue to receive regular visits from our local PCSOs and the Highways team.

Over the years, an increasing number of families have needed to drive their children to school before travelling on to work. We recognise that this has led to a rise in traffic around not only our school, but schools across the country.

We are therefore appealing to all parents and carers to carefully consider the residents of the local area, particularly those living in Grace John Court, many of whom are elderly and rely on daily carers and essential services visiting them at important times throughout the day.

We kindly ask that you avoid parking in the Grace John Court car park and on the raised roundabout so that we can continue to maintain positive relationships with all residents in our community and keep all the children safe.

Thank you, as always, for your understanding and support.

Yours sincerely,

Carmel Dodds  
Head Teacher
