## Heat Health Warning School Update

Dear parents and carers,

In light of more recent communication from local secondary schools we understand that many of you may make the decision to home educate siblings on Monday and Tuesday of this coming week. Should you make this decision you must contact the school to confirm your child's absence via Parentmail or the school absence voicemail. We will send out links and work for children to complete at a convenient time.

For those of you sending children in to school, we have noticed temperatures increase significantly at school pick up time and we are therefore recommending that you collect your child from their classroom at 1pm on both Monday and Tuesday.

There will not be any After School Clubs on either of these days as it has been recommended to minimise physical activity. We will be in touch regarding Wednesday.

We will do our absolute best to ensure children remain cool and have plenty of water breaks during their time in school because as you are aware we do not have air conditioning. We will have windows open early morning and attempt to ensure children are working in shaded parts of the school.

Thank you so much for your co-operation with this situation. We are keen to ensure everyone is safe over these next few days!

Warmest regards

Mrs Carmel Dodds  
Head Teacher
