Forest School – Green Week

As part of our commitment to outdoor learning, all children will continue to take part in our Forest School sessions. Please ensure that your child comes appropriately dressed for these sessions. Forest School sessions take place during Green Week. We always return to school after a holiday on a Blue Week.

PE and Forest School take place on the same day during a Green Week this year, intentionally, so that children can arrive at school wearing their full PE kit for the day.

Forest School Uniform

- Children should wear their full PE kit and bring closed-toe shoes, such as boots or wellies, in a spare bag for Forest School.
- In cold weather, we also recommend that children bring a hat and gloves.
- Children must not wear any jewellery or earrings on PE/Forest School days.

Thank you for your continued support in helping us make Forest School a safe and enriching experience for all our children.
