Following Jesus, the Good Shepherd, in all we say and do

📚 Welcome to Read Write Inc. (RWI)

Learning to read is one of the most important and exciting parts of your child's early years at school. At our school, we use Read Write Inc. (RWI) to help children learn to read confidently, develop a love of books and become independent readers.

Through RWI, children learn the sounds that letters make and how to blend these sounds together to read words. They practise their sounds, read carefully matched books and build their confidence step by step.

We know that you are a very important part of your child's reading journey. There are lots of simple ways you can help at home, such as practising sounds, listening to your child read and enjoying stories together.

We have included a QR code below which will give you more information about how Read Write Inc. works and how we teach phonics in school.

📱 Simply scan the QR code to find out more!

Thank you for supporting your child as they learn to read. Every little bit of reading and practising at home makes a difference!
