Your child's annual flu vaccination is now available.

	The link to the NHS England Managing Vaccination in Schools (Mavis) portal can be accessed by clicking HERE 
	The e-consent link will close at 8am on the morning of the vaccination session. The school will advise you of this date.
	If you have more than 1 child at the school, you will need to complete a separate form for each child. Please check it is your child's name and date of birth NOT your own on the form and check information is correct before submitting.
	The nasal flu spray is the primary choice of influenza vaccine offered to most children under the age of 18. Information for parent and carers – see links below. Protect your PRIMARY AGED child against flu Protect your SECONDARY AGED child against flu Supporting vaccination for young people with special educational needs (SEND)
	Information about the flu vaccine in other languages can be found here

	The nasal spray vaccine contains a very small amount of porcine gelatine, used as a stabiliser. We are aware that as some families may not accept the use of its use in medical products so reading information in the links below may be helpful: • britishfatwacouncil.org • University of Oxford - Vaccine Knowledge • UKHSA: Vaccines and porcine gelatine
	Following your submission please contact us: • If your child's asthma becomes unstable or they become wheezy. • If your child is prescribed oral steroids by GP or are seen in hospital for their asthma. • Your child has their vaccine at their GP surgery. • Your child's health changes. • If you wish to change your mind and wish to withdraw your e-consent. • If you have any further questions.
