School Reports

Dear Parents and Carers,

Your child's School Report is going home this week. We are delighted to share with you the achievements from the 2022/2023 academic year. The children have made progress in many areas and we are really proud of the continued work ethic.

The attainment grade is based on Government expectations of what children should be able to do for their age at this time of year. The effort grade is based on your child's attitude to learning and how well your child applies themselves in class. We encourage children to do their best.

If you wish to discuss a specific aspect of your child's report with the class teacher, please email the school administrator office@tgs.nor.olicatschools.org to arrange this, it would be really great if parents/carers could acknowledge receipt of reports via this electronic form <https://forms.office.com/e/WgPprc3xqZ>.

On behalf of myself and the whole team, we wish you a safe and enjoyable summer holiday. I hope that you are able to fully recharge, make incredible memories and return to school eager to start the new academic year. We appreciate your continued support in your child's learning journey.

Yours sincerely,

Mrs C Dodds
