

We are proud to announce that we are now fully OFSTED Registered and as a result of this, we are able to accept all types of childcare vouchers and the government tax-free scheme as payment for our services.

This is something we have been working on for some time that will hopefully allow even more people to join us at our amazing Holiday Camps.

Rhino Sports Academy is eligible for HAF funding. If your child receives funded free school meals or is a pupil premium child you can come along to our camps for free. For more information on this please contact us via email or phone and we can book them on.

We are pleased to announce Rhino Sports Academy Camps will be held at four different venues this winter. Blisworth Primary School, Good Shepherd Primary School, Collingtree Primary School and Hunsbury Park Primary School

Here is some more information on what each activity will include on the day. We encourage children to try out new experiences and if on the day your child wants to swap over and do something different that is no problem at all.

MULTISPORTS

At a Rhino multisport camp, every child spends a portion of their day participating in each of the sports on offer. They will learn the rules of the game plus new skills and new techniques for the first part before moving on to match play and games for the latter part.

Our multisport camps are a great way for children to enjoy some sporting variety and encourage participation in new sports for those still looking to find out which sport they enjoy the most.

Our coaches are all passionate about healthy competition and about exploring the fun and excitement that playing sport can bring. Prizes will be awarded for effort and excellence shown throughout the day.

SCIENCE

At Rhino Science we want to inspire natural curiosity by providing fun scientific and STEM experiences for all children. We aim to provide a fun environment that inspires children to understand how science can be used to explain what is occurring, predict how things will behave and analyse the causes. Science can be exciting and engaging and we will provide the tools and instruments needed to help the children achieve this. The cost of this club is inclusive of all materials that will be used for experiments.

PERFORMING ARTS

Rhino Dramatics and Rhino Dance are coming together to offer something special to those who love to explore their expression and will learn new ways of using voice and body and naturally build up their confidence whilst having heaps of fun in the process.

Every child will spend their day learning, devising and performing different areas of Dance & Drama with experienced and passionate coaches. We will focus on learning new techniques, creating new work and promoting confidence in performance. Making our performing arts camp fun and engaging for all involved.

Prizes will be awarded for effort and excellence shown throughout the day.

ARTS & CRAFTS

Our brand new Arts & Crafts Camp will be a great opportunity for children who love to be creative and get a bit messy. We will help your children discover their unique abilities and find their artistic talents. They will have lots of fun doing lots of different activities from colouring to painting, making things out of different materials and exploring new ways of learning. With the option to do some baking and decorating.
